Matthews Farm Museum

The Matthews Farm Museum was built in the summer of 1965 by the Union Fair Association on the fairgrounds.

The collection of antique farm and household implements were purchased by the Fair Association from Edward Matthews for whom the building was named. People from all over the State of Maine have donated items to add to the original collection since its opening.

This museum is rated by the antique enthusiasts as one of the best in the New England States.

The first curator named by the Association was Mrs. Robert Clark. Since Mrs. Clark went back to teaching Mrs. Winifred Kenoyer was hired. Both of these very capable ladies have done a remarkable job for the Fair Association.

During the summer of 1967 the museum was opened daily to visitors and plans have been made to do the same again this year.

We the Selectmen would like to dedicate our 1967 town report to the memory of two dedicated men who were serving the town in municipal office at the time of their deaths.

Burleigh M. Esancy was born in Union on September 23, 1890, the son of William and Bertha Esancy. He attended Union schools, married Gertrude Wentworth and lived all his life in Union. He and his wife had ten children all living.

Burleigh was a member of the People's Methodist Church, Odd Fellows, Pioneer Grange where he held the office of secretary for a number of years, and Knox Pomona, where he was also secretary. Burleigh served the town as tax collector for eight years.

Being crippled for the past twenty-three years, he learned chair caning for which he was known over the county.

We would also like to dedicate this report to the memory of Berl R. Nisbet, whose entire life was dedicated in serving others. His interest in both young and old endeared him to all who had the privilege of knowing him.

Berl was born in Rumford June 28, 1905. He had lived in Union nearly eleven years where he was a poultry farmer.

He was President of the K-L Feeds of Rockland, President of the Knox-Lincoln Cooperative, Member of the People's Methodist Church, President of the Union Chamber of Commerce, member of the Rockland Rotary Club, member of Quantabacook Lodge, AF&AM, Searsmont, member of Orient Chapter, OES, Union, and a Selectman of the Town of Union.

## Report of Public Health Nurse

*Maine Department of Health and Welfare*

*Division of Public Health Nursing, Bureau of Health*

### ANNUAL REPORT OF PUBLIC HEALTH NURSING

#### SERVICES IN UNION IN THE YEAR OF 1967

Your public health nurse, a member of the staff of the Division of Public Health Nursing, provided public health nursing services.

The nurse made fifty direct service visits to persons of all ages in their homes or in school. These were made under medical direction of the school physician, family physician or at the request of the patient.

Sixty-eight children and adults in selected grades were given the tuberculin skin test by Alta Ashley, M. D., Health Officer, Health District III. This test was given at the request of the parent.

During the summer the Head Start Program was held in the elementary portion of the school. Parents are encouraged to participate in this program with their children. Sixteen children were examined by Arnold Walker, D. O. and thirteen parents were present with their children.

Three child health conferences were held last spring with total participation of sixty-one children. During this activity the mothers had an opportunity to discuss their children's problems with a physician. The children received necessary immunizations. The nurse was present to interpret the doctor's suggestions and to discuss additional concerns or questions the mother might have.

Your nurse extends her appreciation to the volunteer workers who assisted in the community health activities.

Respectfully submitted,

RUTH S. STEPHENSON, R. N.

Public Health Nurse

## FIRE DEPARTMENT REPORT

To the citizens of the Town of Union:

I herewith submit the report of the Fire Department from February 1, 1967 to January 31, 1968.

During this period we had the following calls:

4 Grass and Woods

3 Chimney

4 Buildings

3 Miscellaneous

2 Out of Town

Ambulance—73 Calls—2,700 miles

Equipment purchased this year from funds raised at the last town meeting were:

300 Feet 2 1/2 inch hose

8 Receivers for Plectron System

Base Radio

We have also purchased a smoke ejector from funds in the Volunteer Fire Department Account.

In November of last year the Fire Insurance Rating Bureau changed the insurance rating of the town from Class E to Class D. This change lowers the fire insurance premium on all prop-

erty to within 500 feet of a hydrant. This reclassification was brought about by two main factors; first, the work the water company has done on the mains so we have sufficient pressure at the hydrants, second by our investing in the Plectron system we have a warning system that meets the requirements of the Rating Bureau. There are a number of smaller factors that enter into the rating but these were brought up to standards over the past few years.

I would like to report that after a years operation of the new ambulance I feel it is meeting the needs of the town and surrounding communities as well as a commercially built ambulance.

I would like to thank the members of the department for their cooperation this past year and on behalf of the department we want to express our thanks to the women for their service of the Red Network.

## CIVIL DEFENSE REPORT

To the Citizens of Union:

I submit the following report as your Local Director of Civil Defense and Public Safety:

During the past year, your Local Director, working with the fire department has ordered and received four Plectron units for use by the fire department. These units were purchased through Civil Defense to qualify for federal matching funds amounting to fifty percent of the total cost of the units. We have not received these funds at this time but I have been informed by Knox County Civil Defense that the proper forms have gone through the necessary channels and we will be reimbursed eventually.

Expenditures from the Civil Defense account this year were low, mostly postage, telephone and travel expenses but I am hoping the Town will continue to raise the usual amount to support Local Civil Defense as this will qualify us for federal matching funds as well as other benefits from the State.

At this time, I will submit my resignation as Local Director as I do not have the time to do many of the necessary duties required of the Director. If anyone has an interest in this worthwhile cause, please contact the Selectmen and I will be glad to assist in any way possible. I would like to thank all of those people who have been so generous of their time during the four years that I have been your Local Director.

Respectively submitted,

BASIL A. BROWN

Local Director

# AUDIT REPORT

State of Maine

STATE DEPARTMENT OF AUDIT

Augusta

September 5, 1967

Board of Selectmen

Union, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Union for the fiscal year ended February 5, 1967.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exception as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at February 5, 1967, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY

*State Auditor*

## COMMENTS

## TOWN OF UNION

FEBRUARY, 6, 1966 TO FEBRUARY 5, 1967

An audit has been completed of the financial records of the Town of Union for the fiscal year ended February 5, 1967. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The fiscal year's operations showed that the net unexpended departmental balance lapsed amounted to \$8,695.89, per the following summary:

Departmental Operations:	
Unexpended Balances	\$ 9,097.80
Overdrafts	401.91
	<hr/>
Net Unexpended Balance	\$ 8,695.89

The overlay and unexpended balances is the general government and welfare accounts were the major factors contributing to the amount lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general fund cash balance of \$23,739.86 was on deposit in the Camden National Bank, Camden, Maine at February 5, 1967.

Taxes receivable totaling \$2,891.07 represented for the most part current year accounts of \$2,782.15. The remaining balance of \$108.92 was for unpaid accounts dating from 1962. Tax liens, tax deeds and tax acquired property amounted to \$514.70, \$270.28 and \$930.37 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . The short term loan of \$4,184.43 was used to finance the rebuilding of North Union Bridges. Other liabilities included payroll deductions of \$434.89 due governmental agencies at February 5, 1967.

The departmental operating accounts showed a net unexpended balance of \$4,995.01 representing trust fund income applicable to the 1967 year. Uninvested trust fund income amounted to \$2,686.31.

The unappropriated surplus amounted to \$19,898.66, an increase of \$2,621.62 for the year. This change was occasioned principally by the net unexpended departmental balance lapsed less authorized transfers for various purposes.

TRUST AND RESERVE FUNDS . . . Trust fund principals totaled \$43,649.64 and unexpended income amounted to \$6,679.48. With the exception of an amount due from the general fund, the funds are invested in stocks and bonds totaling \$26,584.87 and time deposits of \$21,065.78.

It is recommended that trust fund income included in the general fund be returned to the trust funds for investment.

Reserve funds for a tank truck and revaluation amounted to \$3,141.47 and \$4,236.34 respectively. These funds are on deposit in the Rockland Loan and Building Association and the Camden National Bank, Union, Maine.

GENERAL . . . The townspeople authorized the use of excise taxes for the roads and bridges accounts and the issuance of notes to finance construction of the North Union Bridges. Also, authorized were transfers from surplus for current operations and the fire truck reserve fund.

#### SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depository or by direct confirmation. The correctness of other recorded assets and liabilities was verified on a test basis.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period.

Excise tax collections were checked with copies of receipts retained by the tax collector. Debt, trust and reserve funds transactions were examined and securities were verified by actual inspection. Surety bond coverage was reviewed.
